

io/File.h

```
graph TD; A[io/File.h] --> B[string]; A --> C[fstream];
```

A diagram showing a dependency structure. At the top is a gray rectangular box with a black border containing the text 'io/File.h'. Two dark blue arrows originate from the bottom center of this box. One arrow points diagonally down and to the left to a white rectangular box with a gray border containing the text 'string'. The other arrow points diagonally down and to the right to another white rectangular box with a gray border containing the text 'fstream'.
